Hello Everyone,

We know that a number of our employees are struggling on occasion to find child care during the pandemic. The Chapel Hill-Carrboro YMCA has reached out to us with a new program called Camp Hope. It's a an all-day camp that will run from now until at least May 15<sup>th</sup>. It is open to anyone but with a focus on those who are working during this crisis. The details can be found below.

All the Best,  
Maurice

From Kim Grooms, Executive Director at the Chapel Hill-Carrboro YMCA:

We would like you and your employees to know we are offering YMCA Camp Hope now through at least May 15 at the Chapel Hill-Carrboro YMCA. We wanted this opportunity to be as convenient as possible, so the cost is only \$25 per day and is available for children in grades K - 8 from 6:30 a.m. to 7:30 p.m., Monday through Friday.

Our creative YMCA Camp Hope staff team has planned activities that are fun and will keep the children as safe as possible by allowing for social distancing, no equipment being passed from person to person, and no large group interactions. These activities include arts and crafts, gym games, outside time, kid fit classes, brain games, STEM activities and more!

Here is a link [to our Camp Hope page](#) and I have also attached a flyer that contains more details about this opportunity. Please pass this out or forward the attachment to your staff! Let me know if you have any questions or need additional information.

Take care!
