Hello Everyone,

It is with a heavy heart that I inform you that our friend and colleague Jim Huegerich, the Director of the Town's Ombuds Office, passed away yesterday. Jim, who battled his illness with courage and dignity, was surrounded by his wonderful family at the time of his passing. Please keep his wife Tricia and their family in your thoughts and prayers during this challenging time.

I feel blessed to have known Jim, and I will forever remember him for his dedication to the Town and the personal support and guidance he offered to me during the last three and a half years.

Jim served the Town in a variety of roles for nearly five decades. He was the epitome of a servant leader, and was driven by his love of people and his commitment to helping others. Our goal now is to honor him in a celebration of his life, and through the excellent work that we will continue to do for this community.

We will pass along information concerning arrangements once they are finalized.

Sincerely,
Maurice
